NEW POWERCHART MPAGE FOR VIEW ONLY AND VIEW ONLY PRINT POSITIONS

A New MPAGE called Patient Summaries will be added on the Menu Bar in Powerchart to the View Only and View Only Print positions and will have the components listed below.

Outpatient Summary

The screenshot shows the 'Patient Summaries' page in PowerChart. The left-hand menu is expanded to show 'Patient Summaries'. The main content area displays two tabs: 'Outpatient Summary' (active) and 'Inpatient Summary'. The 'Outpatient Summary' tab contains several summary cards: 'Problem List', 'Home Medications (6)', 'Social History (8)', 'Family History (8)', and 'Procedure History (2)'. To the right of these cards are three columns of summary cards: 'Vital Signs & Measurements', 'Patient Summary', 'Labs', 'Documents (55)', 'Diagnostics (0)', and 'Immunizations (3)'. The interface includes a top navigation bar with a home icon and a 'Full screen' button.

Inpatient Summary

The screenshot shows the 'Patient Summaries' page in PowerChart with the 'Inpatient Summary' tab selected. The left-hand menu is expanded to show 'Patient Summaries'. The main content area displays two tabs: 'Outpatient Summary' and 'Inpatient Summary' (active). The 'Inpatient Summary' tab contains several summary cards: 'Patient Information', 'Immunizations (3)', 'Diagnostics (0)', 'Vital Signs', 'Intake and Output', and 'Labs'. To the right of these cards are three columns of summary cards: 'Documents (12)', 'Patient Instructions (0)', and 'Labs'. The interface includes a top navigation bar with a home icon, 'Full screen', 'Print', and '4 minutes ago' indicators.
