

Healthy Michigan Plan members enrolled in a health plan pay most co-pays through the MI Health Account at a later time. Below is a table that shows how much you **could** pay for health care services through the MI Health Account.

Covered Services	Co-Pay	
	Income less than or equal to 100% FPL	Income more than 100% FPL
Physician Office Visits and Urgent Care Center Visits	\$ 2	\$ 4
Emergency Room Visit for Non-Emergency Services • There is no co-payment for true emergency services	\$ 3	\$ 8
Inpatient Hospital Stay (with the exception of emergent admissions)	\$ 50	\$ 100
Outpatient Hospital Clinic Visit	\$ 1	\$ 4
Pharmacy	\$ 1 preferred \$ 3 non-preferred	\$ 4 preferred \$ 8 non-preferred
Dental Visits	\$ 3	\$ 4
Vision Visits	\$2	\$2
Chiropractic Visits	\$ 1	\$ 3
Hearing Aids	\$ 3 per aid	\$ 3 per aid
Podiatric Visits	\$2	\$4

Not all services have co-pays and not all people are required to pay co-pays. For example, services that help you get or stay healthy, like preventive services or certain services or medications that help you manage a chronic condition, may have no co-pays. Also, some people don't have to pay co-pays at all, like those who are under 21.

The amount you owe could be different than what is shown in the table. These amounts are for informational purposes only. Your MI Health Account Statement will tell you what you have to pay and how the amounts were figured.
