PM Office worklist for VA ED Incomplete Authorizations

Beginning Thursday, August 27 a new worklist will be added in PMOffice for emergency patients with a VA Health plan.

The VA ED Incomplete Authorizations worklist will show all ED encounters with a VA health plan requiring Authorization follow up.

The encounters will drop from the worklist once the Authorization Required field is changed to No, or the Authorization Status is updated to Approved or Authorization Not required.

1 Result										
	Patient Name	Disch Date/Time	Reg Date/Time	Plan Name	Hp Priority	Auth Req	Auth Status	Auth Nbr	Pt Type	Med Svc
VA ED Incomplete Auths	ZZTEST, CARISSA		8/19/2020 11:56 AM	COM - VETERANS ADMINISTRATION	Primary	Yes	Pending Clinical		Emergency	Emergency Medicine
