## Ambulatory: New Display of AdHoc Main Root Folders

May 17, 2021

New AdHoc Main Root Folder Display Overview

Update: The main root folders within the AdHoc button on the Toolbar have been rearranged so that users can locate needed items in a more efficient manner. The folders are listed from most used to least used. Specialty specific folders are listed at the bottom of the list in alphabetical order.

Positions Impacted: All Ambulatory Providers and Staff.

New AdHoc Main Root Folder Display

1). To view the folders:
   a. From within the patient's chart, select the **AdHoc** button on the Toolbar.
