Ambulatory: New POC Smart Template

May 17, 2021

New POC Smart Template Overview

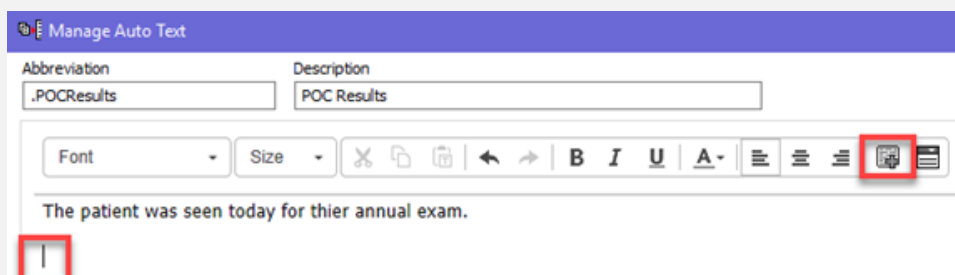

Enhancement: A new smart template is now available within Cerner PowerChart. The **AMB POC Tests** smart template will allow users to pull POC test results into their Auto Text. See the instructions below on how to search and add this smart template to a new or existing auto text template.

Positions Impacted: All Ambulatory Providers and Staff.

Adding the New POC Smart Template to Auto Text

1). To add the smart template while creating or editing Auto Text:

- a. From the **Manage Auto Text** window, place the cursor in the area that you want to add the smart template.
- b. Select the **Smart Template** icon.

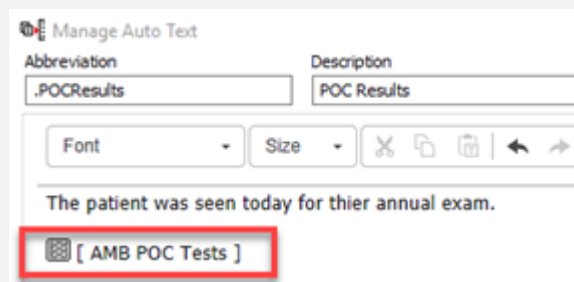

2). Search and select the **AMB POC Tests** smart template.

- a. Click **Insert**.

3). The chosen Smart Template will display within the Auto Text template.

- a. Add or edit any text as desired.
- b. Click **Save** when done.

4). When the Auto Text template is used, the corresponding POC results will display.
