Ambulatory: New Prior Authorization Template

February 21, 2024

New Prior Authorization Template Overview

<mark>**Enhancement 2/21/24:**</mark> A new Prior Authorization Template is now available in the Medical Record Request and Report Request windows which will allow users to print Prior Authorization Powerforms in Cerner.

Prior to the Change: There wasn't a template available that pulled in this information to allow users to print.

Positions Impacted: All users that need to print Prior Authorization Powerforms.
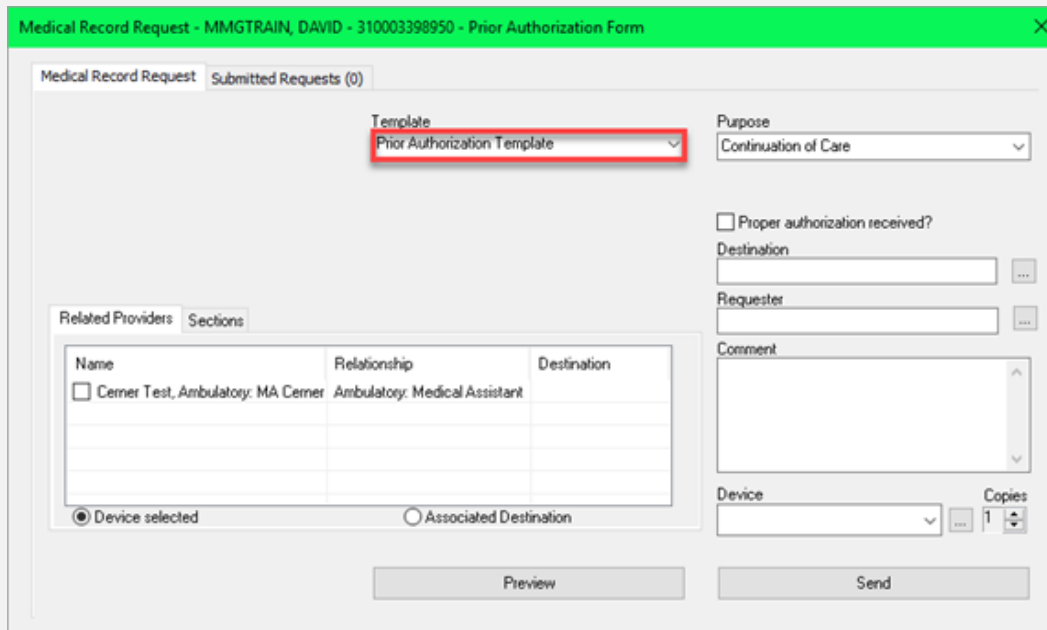

Please see the instructions below on how to choose the Prior Authorization Template.

For full step-by-step instructions on how to print documents in Cerner, please click the link below to access our job aid:
