Ambulatory Lab & Radiology Requisition Update

August 27, 2021

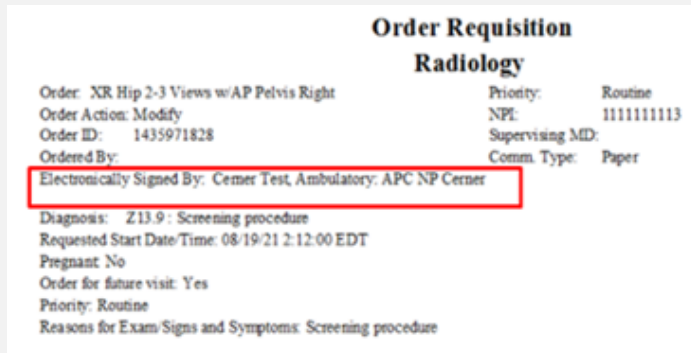

Lab & Radiology Requisition Update Overview

Update: **Effective 8/30/2021**, Lab and Radiology Requisitions will now display the Provider's electronic signature at the bottom of the page when printed. Prior to update, the Provider's electronic signature displayed in the middle of the page, making it difficult to locate.

- Note:** This does not include requisitions for other diagnostics (i.e., Echocardiograms). The Diagnostics requisition will be modified at a later date and a Flash will be sent after completion.

Requisition Before Update

- Electronically Signed By** verbiage displayed in the middle of the requisition when printed on the Lab and Radiology Requisition.
