Ambulatory Provider – Clinical & Patient Summaries

Thursday August 27th, 2020

## Process Change Overview

**Previous Process:** Clinical and Patient Summaries were previously being sent to the PCP's Message Center when Discharge Summaries were completed in the hospital. These summaries will no longer route to the Message Center automatically.

**New Process:** Primary Care Provider's will need to subscribe to the **Primary Care – Discharge Documentation** subscription to receive the following documentation in the Results FYI folder of their inbox.

- Admission Note Physician
- ED Note Physician
- Discharge Summary

**Note:** Please refer to the New Results FYI Flash dated August 27, 2020 for instructions on how to subscribe to the desired subscription(s).

**Positions Impacted:** Primary Care Providers
