Social Needs Screening Tool

11/21/2023

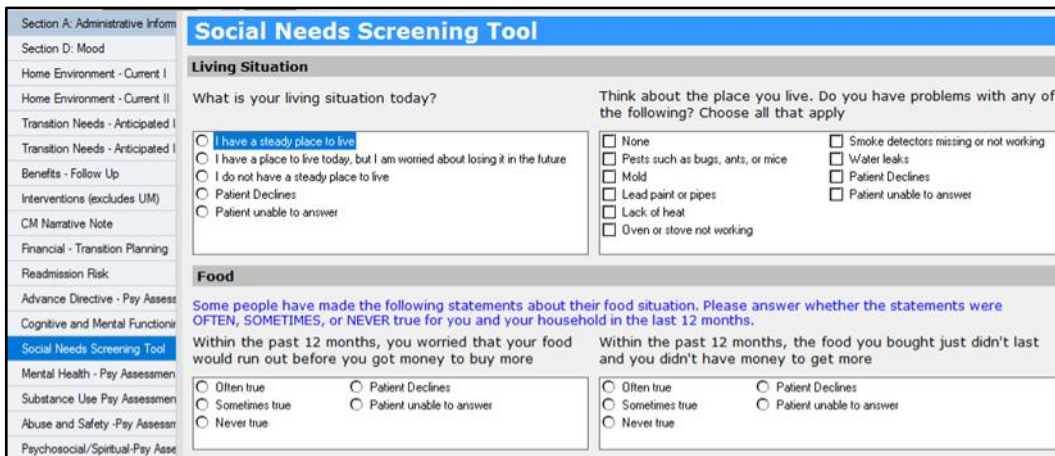

As part of Centers for Medicare and Medicaid Services (CMS) requirements, McLaren Health Care will begin collecting data to assess the patient's Social Determinants of Health. The document will be added to the Admission History forms for nursing as well as the Transition Planning Initial Assessment for Case Management. This new section, *Social Needs Screening Tool*, will be available in ONE McLaren on Tuesday, November 21, 2023.

Nursing:

The screenshot shows the 'Social Needs Screening Tool' form within the 'Nursing' section of the Cerner Flash interface. The form is titled 'Social Needs Screening Tool' and includes a 'Living Situation' section with two columns of questions. The first column asks 'What is your living situation today?' with radio button options: 'I have a steady place to live', 'I have a place to live today, but I am worried about losing it in the future', 'I do not have a steady place to live', 'Patient Declines', and 'Patient unable to answer'. The second column asks 'Think about the place you live. Do you have problems with any of the following? Choose all that apply' with checkboxes for: 'None', 'Pests such as bugs, ants, or mice', 'Mold', 'Lead paint or pipes', 'Lack of heat', 'Oven or stove not working', 'Smoke detectors missing or not working', 'Water leaks', 'Patient Declines', and 'Patient unable to answer'. Below this is a 'Food' section with two columns of questions about food availability in the last 12 months, each with radio button options: 'Often true', 'Sometimes true', 'Never true', 'Patient Declines', and 'Patient unable to answer'. The 'Transportation' and 'Utilities' sections are partially visible at the bottom.

Case Management:
