Ambulatory: New RSV Vaccine Orders in Cerner PowerChart **December 15, 2023**

New RSV Vaccines in Cerner PowerChart Overview

Effective 12/15/23: The two new RSV vaccine orders listed below have been added to Cerner PowerChart for in-office administration. Providers will place the appropriate order based on the vaccine that is available in their clinic location. When placing the order, providers may search by RSV or by the brand name of the desired vaccine.

- **Arexvy** 0.5ml, Intramuscular, Injection, Once
- **Abrysvo** 0.5ml, Intramuscular, Injection, Once

Positions Impacted: Ambulatory Providers and Clinical Staff.
