Standardize Results Review Image/Diagnostics Tab

November 20, 2023

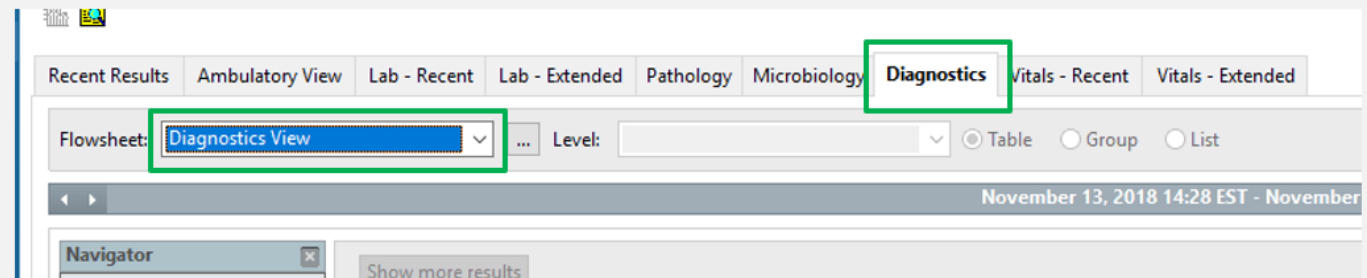

## Result Legend Color Indicators Overview

**Overview:** In Powerchart Results Review for any position that has the Imaging tab it will change to show as Diagnostics going forward. This will display the same information/results as before but the tab description will be updated.

### BEFORE

### AFTER

Note: If you click the heading on any MPage, it will link to the results review diagnostics tab.
