## HgbA1c & Lipid Panel Draw Time Modified in Stroke Plans Acute Providers

Changes are being made to the following stroke powerplans regarding the draw date/time for HgbA1c and Lipid Panel lab studies

-  NEURO Hemorrhagic Stroke Admit Orders
-  NEURO Hemorrhagic Stroke Focus Orders
-  NEURO Ischemic Stroke / TIA w/wo Alteplase (tPA) Focus Orders
-  NEURO Ischemic Stroke / TIA w/wo Alteplase (tPA) Admit Orders

### Current State

HgbA1c and Lipid Panel lab studies display in the AM/Daily Lab orders and are timed to be drawn for the next day am (T+1).

Laboratory			
AM/Daily Labs			
<input checked="" type="checkbox"/>		CBC No Diff (Hemogram)	Blood, Timed Study, T+1;0330
<input checked="" type="checkbox"/>		Basic Metabolic Panel (BMP)	Blood, Timed Study, T+1;0330
<input type="checkbox"/>		Activated Partial Thromboplastin (PTT)	Plasma, Timed Study, T+1;0330
<input checked="" type="checkbox"/>		Hemoglobin A1c (Glycosylated)	Blood, Timed Study, T+1;0330, Once
<input type="checkbox"/>		Prothrombin Time and INR (Protime (with INR))	Plasma, Timed Study, T+1;0330
<input checked="" type="checkbox"/>		Lipid Panel Calculated	Blood, Timed Study, T+1;0330, Once

### After Implementation:

HgbA1c and Lipid Panel lab studies will be removed from the AM/Daily Labs section and will display in their own TIMED section. The HgbA1c and Lipid Panel orders will be modified to be ordered at current date/time for immediate dispatch. The orders will now be timed as Today and Now, Once (T;N, Once).

Laboratory			
AM/Daily Labs			
<input checked="" type="checkbox"/>		CBC No Diff (Hemogram)	Blood, Timed Study, T+1;0330
<input checked="" type="checkbox"/>		Basic Metabolic Panel (BMP)	Blood, Timed Study, T+1;0330
<input type="checkbox"/>		Activated Partial Thromboplastin (PTT)	Plasma, Timed Study, T+1;0330
<input type="checkbox"/>		Prothrombin Time and INR (Protime (with INR))	Plasma, Timed Study, T+1;0330
TIMED			
<input checked="" type="checkbox"/>		Hemoglobin A1c (Glycosylated)	Blood, Timed Study, T;N, Once
<input checked="" type="checkbox"/>		Lipid Panel Calculated	Blood, Timed Study, T;N, Once

Ordering provider may update this date/time at the time of order entry if necessary.

Please contact your local Clinical Information Specialist with any questions.
