Ambulatory: Ordering Transesophageal Echocardiograms

December 2, 2022

Ordering Transesophageal Echocardiograms Overview

Change Effective 12/6/22: The Echo Transesophageal Complete order will be removed in Cerner PowerChart. This order does not route to the appropriate scheduling queue and should not be placed for patients needing this exam.

Scheduling a Transesophageal Echocardiogram (TEE) for your patient: please follow the Cath Lab paper boarding process/workflow.

Positions Impacted: All Ambulatory and Cross-Venue Providers.
