

Results Review Clean Up

PhysOBGYN: Effective by EOD 3/15/2022

Please note that effective end of day those in the Physician – OBGYN security position will see fewer tabs in the Results Review section. We will be removing duplicates to allow for a more concise view.

Current:

- Lab- Duplicate tab to Lab Recent and Lab Extended
- Vitals- Duplicate tab to Vitals Recent and Vitals Extended
- Acute View- This is not a view that is being used and pulling ALL results in a random order. This is NOT a standard view
- Imaging- Duplicate to Radiology tab
