Ambulatory: Quest Lipid Panel Order Update

March 22, 2022

Quest Lipid Panel Order Update

Update: The standard Lipid Panel order for Quest Diagnostics has been updated in Cerner PowerChart. The Q Lipid Panel order will be removed/inactivated, and Providers will place the Q Lipid Panel Calculated order moving forward. This will allow the appropriate order to transmit electronically from Cerner PowerChart to Quest Diagnostics.

Action Needed: When sending to Quest lab, providers will need place the Q Lipid Panel Calculated order. Additionally, if the Q Lipid Panel order has been saved as a favorite, providers will need to remove this favorite and replace with the Q Lipid Panel Calculated order.
