Required Fields Added to Consult to Behavioral Health All Physicians, Advanced Practice Providers, & Residents

To improve routing to the appropriate consulted provider, two new requirements have been added to the **Consult to Behavioral Health** order. The "Consult Reason" and "Consulting Physician" are now required fields. Please review the image below and complete these requirements when placing this order to ensure that the correct provider receives the consultation.

The screenshot displays the Cerner interface for a "Consult to Behavioral Health" order. The title "Consult to Behavioral Health" is highlighted with a blue box. A red text label "New 'Required' fields for current Consult to Behavioral Health order" has two red arrows pointing to the "*Consult Reason:" and "*Consulting Physician:" fields, which are highlighted in yellow. Other visible fields include "*Requested Start Date/Time:" (01/18/2024 1546 EST), "*Priority:" (Routine), and "Unit Clerk to Call Consulting Service:" (Yes/No).
