

New FREE TEXT H&P Dynamic Documentation template

- **Issue:** Request for free text template for autotext ease of use
- **General Solution:** Created new Dynamic Documentation templates 'Free Text Note (History and Physical)'

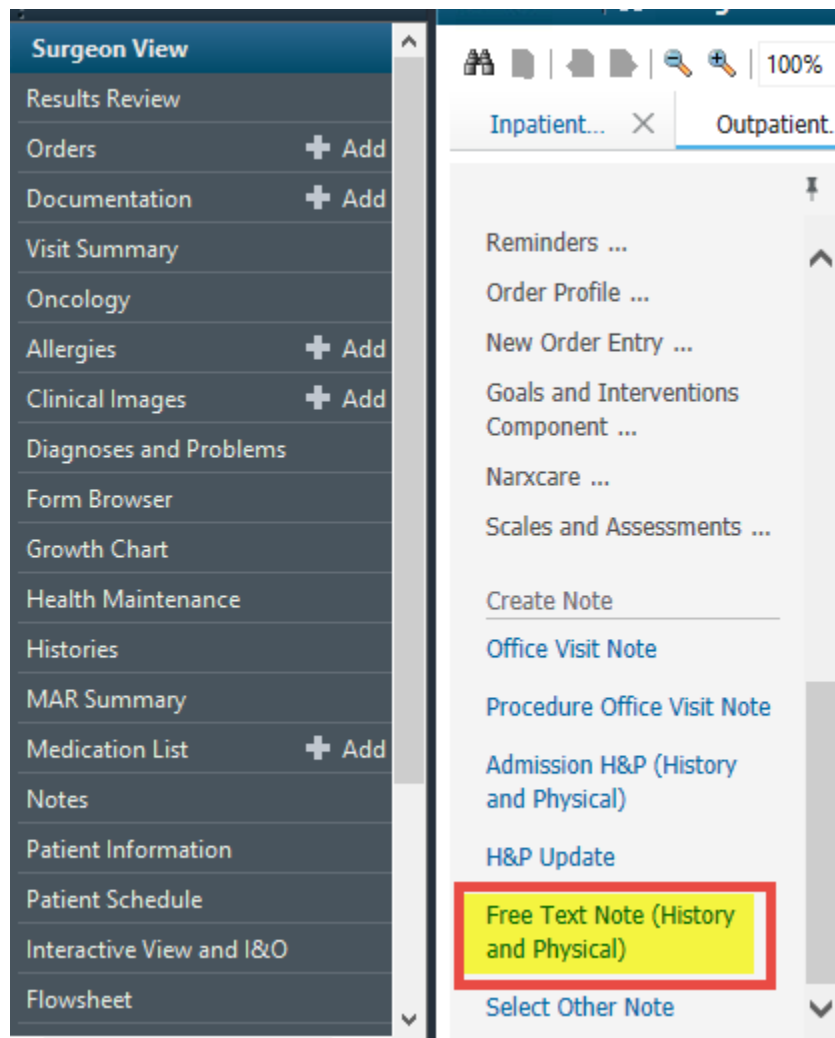

****Templates will appear in a different arrangement within MPage Workflow for Gastroenterology and General Surgery*****

Inpatient Surgeon View

The screenshot displays the 'Inpatient Surgeon View' interface. On the left is a vertical navigation menu with items such as 'Results Review', 'Orders', 'Documentation', 'Visit Summary', 'Oncology', 'Allergies', 'Clinical Images', 'Diagnoses and Problems', 'Form Browser', 'Growth Chart', 'Health Maintenance', 'Histories', 'MAR Summary', 'Medication List', 'Notes', 'Patient Information', and 'Patient Schedule'. The main content area shows a 'Create Note' dropdown menu with options: 'Surgical H&P', 'H&P Update', 'Operative Report', 'Surgical Consult Note', 'Surgical Progress Note', and 'More'. A sub-menu is open, listing: 'Admission H&P (History and Physical)', 'Consult Note', 'Free Text Note (History and Physical)', 'Progress Note', and 'Select Other Note'. The 'Free Text Note (History and Physical)' option is highlighted in yellow.

Outpatient Surgeon View

The screenshot displays the 'Outpatient Surgeon View' interface. On the left is a vertical navigation menu with the following items: Surgeon View, Results Review, Orders (+ Add), Documentation (+ Add), Visit Summary, Oncology, Allergies (+ Add), Clinical Images (+ Add), Diagnoses and Problems, Form Browser, Growth Chart, Health Maintenance, Histories, MAR Summary, Medication List (+ Add), Notes, Patient Information, Patient Schedule, Interactive View and I&O, and Flowsheet. The main content area on the right shows a toolbar with icons for home, back, forward, search, and zoom (100%). Below the toolbar are tabs for 'Inpatient...' and 'Outpatient...'. A list of options is displayed, including Reminders, Order Profile, New Order Entry, Goals and Interventions Component, Narxcare, Scales and Assessments, Create Note, Office Visit Note, Procedure Office Visit Note, Admission H&P (History and Physical), H&P Update, Free Text Note (History and Physical) (highlighted with a red box), and Select Other Note.

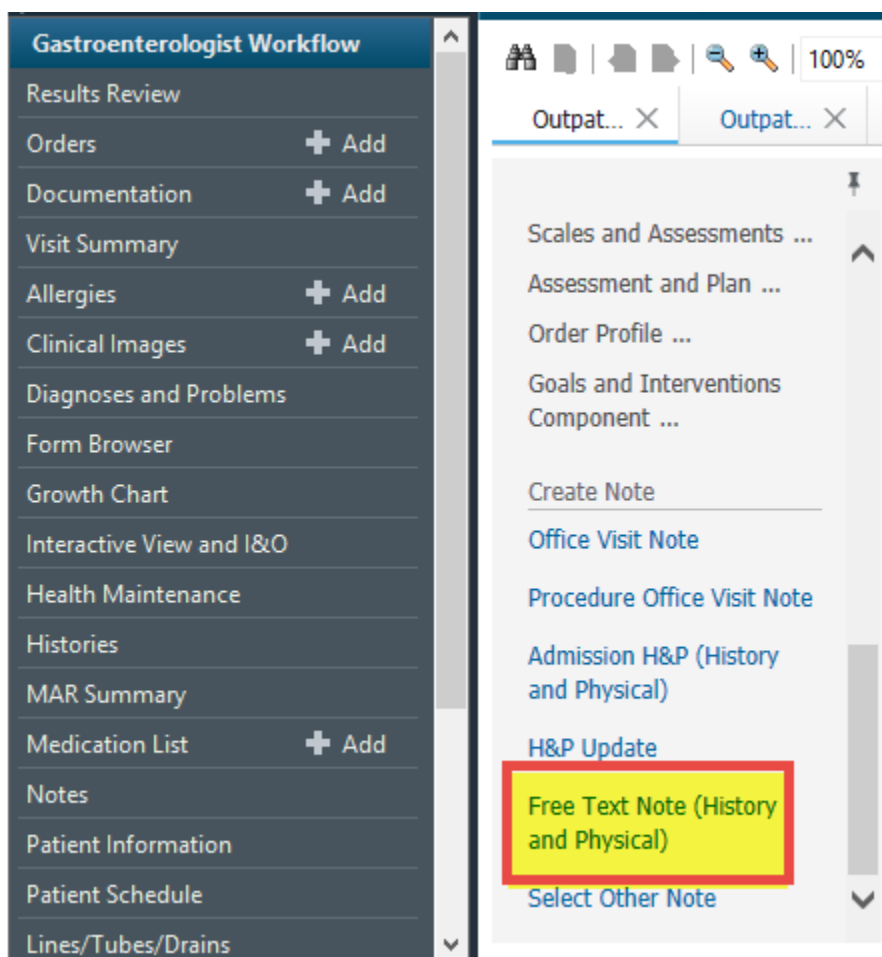

CERNER FLASH

Inpatient Gastroenterology Workflow

A screenshot of the Cerner Flash software interface for Inpatient Gastroenterology Workflow. The interface is split into three main sections: a left sidebar, a central main area, and a right-hand panel.

- Left Sidebar (Gastroenterologist Workflow):** A vertical list of menu items including Results Review, Orders (+ Add), Documentation (+ Add), Visit Summary, Allergies (+ Add), Clinical Images (+ Add), Diagnoses and Problems, Form Browser, Growth Chart, Interactive View and I&O, Health Maintenance, Histories, MAR Summary, Medication List (+ Add), Notes, Patient Information, Patient Schedule, and Lines/Tubes/Drains.
- Central Main Area:** Contains a toolbar with icons for home, back, forward, search, and zoom (100%). Below the toolbar are two tabs labeled 'Outpat... X'. The main content area lists various workflow items: Assessment and Plan ..., New Order Entry ..., Quality Measures ..., Hospital Course ..., Immunizations ..., Create Note, Progress Note, Procedure Note, Admission H&P, H&P Update, and Free Text Note (History and Physical) (highlighted with a red border). A 'More' dropdown arrow is visible at the bottom.
- Right-Hand Panel:** A panel titled 'Admission H&P' with a list of options: Surgical Consult Note, Consult Note, Operative Report, and Select Other Note. A 'More' dropdown arrow is also present at the bottom.

Outpatient Gastroenterology Workflow

The screenshot displays the Cerner Flash interface for the Outpatient Gastroenterology Workflow. On the left, a dark sidebar menu lists various workflow components, with 'Free Text Note (History and Physical)' highlighted in yellow. The main content area shows a list of note types under the heading 'Create Note', with 'Free Text Note (History and Physical)' also highlighted in yellow. The interface includes standard navigation icons and a search bar at the top.
