Referral to Physical Therapy- Pelvic Health

August 3rd, 2020

Workflow Changes Overview

Audience: All Ambulatory Providers

Change: Effective 8/3/2020, a new physical therapy order has been added:

- Referral to Physical Therapy for Pelvic Health Eval and Treatment

When referring a patient for pelvic health issues, providers will use the new order *Referral to Physical Therapy for Pelvic Health Eval and Treatment* instead of the generic Referral to Physical Therapy. The order will be routed to the LAN Rehab Services queue for scheduling.
