

Well Woman Care

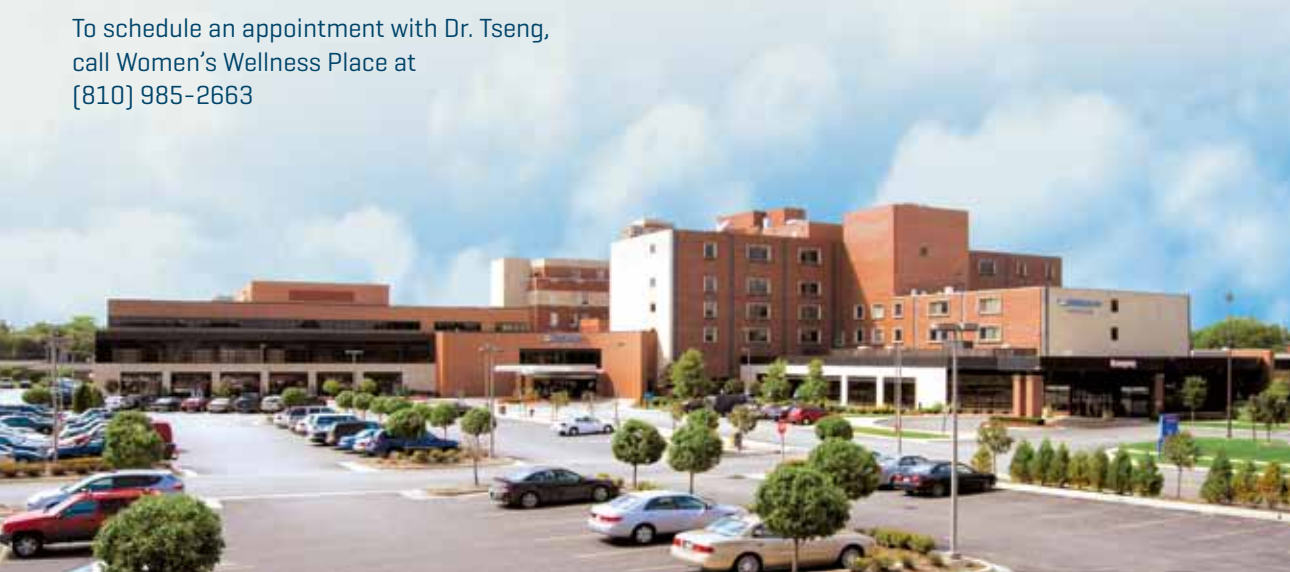

Well Woman Care is for women looking for convenient access to a women's health specialist for routine, preventative care in a pleasant, caring setting. A typical visit to Well Woman Care includes a general physical, pelvic exam, pap smear if needed and a breast exam. A major benefit of having the well woman services at Women's Wellness Place is that other services such as a mammograms, lab tests and bone densitometry may all be scheduled for the same day.

Dr. Peter Tseng, a well-respected and trusted physician in the Blue Water area for 21 years, provides well woman services in Women's Wellness Place. Board certified in gynecology, he earned his undergraduate degree from the University of Michigan and his Doctor of Medicine degree from Wayne State University School of Medicine. He served his residency at William Beaumont Hospital in Royal Oak.

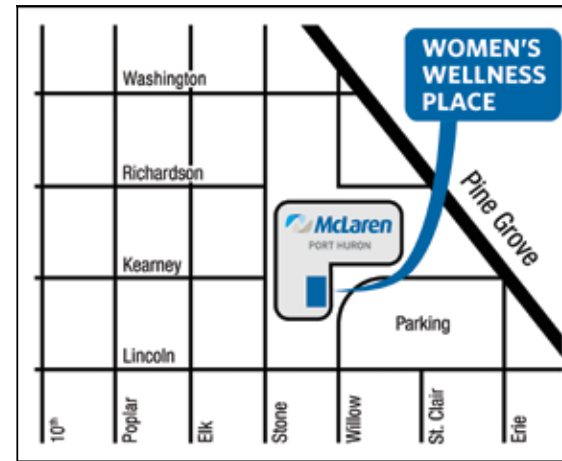

To schedule an appointment with Dr. Tseng, call Women's Wellness Place at (810) 985-2663
